CARL BRO

FALLING WEIGHT DEFLECTOMETER

# FWD TRAILER

# CARL BRO-FWD

# CARL BRO-FWD

# CARL BRO-FWD

# CARL BRO-FWD

## PROs and CONs

- **Cost - approximately the same**
- **Serve as an FWD and HWD**
- **20% faster cycle time**
- **Self contained**
- **24 v. System – complicated wiring system**
- **Electro-magnetic catch**
- **Software not as user friendly**
- **Takes more time for calibration**
- **Customer support/parts/service is very limited at this point, may change in the future.**
